Dependent Coverage
Dependent children are covered from birth through the end of the month they attain the age of 26. In addition, a child who meets the criteria above and is a full-time student as defined in this policy has an extension past age 26, if the child was called to federal active duty in the National Guard or in reserve component of the U.S. armed forces while the child was under age 27 and attending, on a full-time basis, an institution of higher learning. Such extension ends on the date described in the full-time student definition in the policy and any previous amendments.
