

Diabetic formulary

This list applies to commercial fully-insured and self-funded employer groups. This list is not applicable to small employer groups enrolled in ACA plans. Please refer to the Pharmacy section on your Schedule of Benefits for benefit coverage information.

Your diabetic prescription benefit is a valuable part of your coverage. It is important you understand this benefit so you can get the most out of your coverage. Items listed on this Diabetic Formulary are covered based on your plan's cost sharing.

Medications, insulins and supplies that are not included on this list may require exception review* by Security Health Plan to determine whether coverage criteria are met, and may be subject to copayments, coinsurance and/or deductible.
