Certain plans are excluded from this OTC benefit, please refer to the website at www.securityhealth.org/OTC for a full list of excluded plans.

How the service works

Each eligible plan subscriber receives a \$30 quarterly OTC credit to purchase select health and wellness products through the OTC Drug Catalog.

The \$30 credit expires at the end of each quarter. Any unused credit will not carry over to the next quarter. If your order exceeds \$30, please include payment information (debit or credit card) with your order. You may place one order per quarter.

OTC product and delivery information

- When placing an order, you will receive the generic equivalent of the name-brand drug or a similar product.
- If you choose a product that is unavailable or not in stock, a similar product may be substituted at no additional charge.
- Similar products are used for the same purpose but may have different ingredients, strength, flavor, dosage form or package size.
- Orders will be shipped to your home by the U.S. postal service at no extra cost to you. Please allow 14 business days upon receipt of order to receive shipment.
- To ensure the safety of your order, there may be delays in shipment due to extreme cold weather (<10° F) or snow accumulations.
- There may be order quantity limits on certain OTC items.

Ordering deadlines

If your order is received after a quarter deadline listed below, it will apply toward the next quarter. One order is allowed per quarter. For example, if we receive your order on June 29, it will apply toward Quarter 3.

Quarter 1: Jan. 1 - March 20 (order deadline March 20)

Quarter 2: April 1 - June 20 (order deadline June 20)

Quarter 3: July 1 - Sept. 20 (order deadline Sept 20)

Quarter 4: Oct. 1 - Dec. 20 (order deadline Dec 20)

OTC medicines are generally safe but can interact negatively with other medicines, both OTC and prescription. Consult with your health care provider or pharmacist prior to purchase. Always read label and packaging instructions to know how much you should take, when to take it, what side effects you may encounter, and what potential interactions you may have with other medicines. General precautions include: OTC products should only be used when needed and as directed; never exceed the recommended dosage; if pregnant or breastfeeding, ask a health professional before use; keep out of reach of children; if a health problem persists or worsens while taking an OTC medicine, consult your health care provider immediately.

Security Health Plan of Wisconsin, Inc., complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, religion, disability, age, sex, gender identity, sexual orientation, health status, marital status, arrest or conviction record or military participation.
