Welcome

Welcome to Security Health Plan. As a member of Security Health Plan, you should get all your health care from doctors and hospitals in the Security Health Plan network. See the Security Health Plan Provider Directory for a list of these providers. You may also call our Customer Service Department at 1-800-791-3044 (TTY 711). Providers accepting new patients are marked in the Provider Directory.

Using your ForwardHealth ID card

Your ForwardHealth ID card is the card you will use to get your BadgerCare Plus or Medicaid SSI benefits. Your ForwardHealth ID card is different from your HMO card. Always carry your ForwardHealth ID card with you, and show it every time you go to the doctor or hospital and every time you get a prescription filled. You may have problems getting health care or prescriptions if you do not have your card with you. Also bring any other health insurance cards you may have. This could include any ID card from your HMO or other service providers.

Choosing a primary care physician

When you need care, it is important to call your primary care physician first. It is important to choose a primary care physician to manage all your health care. You can choose a primary care physician from the list of doctors accepting new patients, as marked in the Security Health Plan Provider Directory. HMO doctors are sensitive to the needs of many cultures. To choose a primary care physician or to change primary care physicians, call our Customer Service Department at 1-800-791-3044 (TTY 711). Your primary care physician will help you decide if you need to see another doctor or specialist and, if appropriate, give you a referral. Remember, you must get approval from your primary care physician before you see another doctor.

Women may see a women’s health specialist, such as an Obstetrician and Gynecologist (OB/GYN) nurse midwife or licensed midwife, without a referral in addition to choosing from their primary care physician.

Rural area resident

(Only one HMO in your county)

If you live in a rural area with only one HMO and your current primary care physician is not a Security Health Plan provider, you may continue to see this provider for up to 60 days. Please call your HMO as soon as you enroll to let them know who your provider is. If this provider is still not in the HMO network after 60 days, you will be given a list of participating providers to make a new choice.
Accessing the care you need

Emergency Care

Emergency care is care that is needed right away. Some examples are:

- Choking
- Convulsions
- Prolonged or repeated seizures
- Serious broken bones
- Severe burns
- Severe pain
- Severe or unusual bleeding
- Suspected heart attack
- Suspected poisoning
- Suspected stroke
- Trouble breathing
- Unconsciousness

If you need emergency care, try to go to a Security Health Plan provider for help. If your condition cannot wait, go to the nearest provider (hospital, doctor, or clinic). Call 911 or your local police or fire department emergency services if the emergency is very severe and you are unable to get to the nearest provider.

If you must go to a non-Security Health Plan hospital or provider, call Security Health Plan at 1-800-791-3044 (TTY 711) as soon as you can to tell us what happened.

Remember, hospital emergency rooms are for true emergencies only. Unless you have a true emergency, call your doctor or our 24-hour emergency number at 1-800-549-3174 before you go to the emergency room. If you do not know if your illness or injury is an emergency, call your doctor or our 24-hour Nurse Line at 1-800-549-3174 before you go to the ER. We will tell you where you can get care.

A prior authorization is not required for emergency services.

Urgent care / after hours care

Urgent care is care you need sooner than a routine doctor’s visit, but it is not emergency care. Some examples are:

- Bruises
- Minor burns
- Minor cuts
- Most broken bones
- Most drug reactions
- Bleeding that is not severe
- Sprains

You must get urgent care from Security Health Plan doctors unless you first get our approval to see a non-Security Health Plan doctor. Do not go to a hospital emergency room for urgent care unless you get approval from Security Health Plan first.

Care when you are away from home

Follow these rules if you need medical care but are too far away from home to go to your regular primary care physician or clinic:

- For true emergencies, go to the nearest hospital, clinic, or doctor. Call Security Health Plan at 1-800-791-3044 (TTY 711) as soon as you can to tell us what happened.

- For urgent or routine care away from home, you must first get approval from us to go to a different doctor, clinic, or hospital. This includes children who are spending time away from home with a parent or relative. Call us at 1-800-791-3044 (TTY 711) for approval to go to a different doctor, clinic, or hospital.
Care during pregnancy and delivery

If you become pregnant, please let Security Health Plan and your income maintenance (IM) agency know right away, so you can get the extra care you need. You do not have copayments when you are pregnant.

You must go to a Security Health Plan hospital to have your baby. Talk to your Security Health Plan doctor to make sure you know which hospital you are to go to when it is time to have your baby. Do not go out of area to have your baby unless you have Security Health Plan approval. Your Security Health Plan doctor knows your history and is the best doctor to help you.

Also, talk to your doctor if you plan to travel in your last month of pregnancy. We want you to have a healthy birth and a good birthing experience, so it may not be a good time for you to be traveling.

When you may be billed for services

Covered and noncovered services

Under BadgerCare Plus and Medicaid SSI, you do not have to pay for covered services other than required copayments. The amount of your copay cannot be greater than it would have been in fee-for-service. To help ensure that you are not billed for services, you must see a provider in Security Health Plan’s network. The only exception is for emergencies. If you are willing to accept financial responsibility and make a written payment plan with your provider, you may ask for noncovered services. Providers may bill you up to their usual and customary charges for noncovered services.

If you get a bill for a service you did not agree to, please call 1-800-791-3044 (TTY 711).
Copayments
Under BadgerCare Plus, Security Health Plan and its providers and subcontractors may bill you small service fees, called copayments. The following members do not have to pay copayments:

- Nursing home residents
- Pregnant women
- Members younger than 19 years old who are members of a federally recognized tribe
- Members younger than 19 years old with incomes at or below 100 percent of the federal poverty level

You may have copayments for emergency services provided outside of Wisconsin. If you are a BadgerCare Plus childless adult, you may have an $8.00 copay if you go to the emergency room when it is not an emergency.

Medical services received outside Wisconsin
If you travel outside Wisconsin and need emergency care, health care providers in the area where you travel can treat you and send the bill to Security Health Plan. You may have copayments for emergency services provided outside Wisconsin.

Security Health Plan does not cover any services, including emergency services, provided outside the United States, Canada, and Mexico. If you need emergency services while in Canada or Mexico, Security Health Plan will cover the service only if the doctor’s or hospital’s bank is in the United States. Other services may be covered with HMO approval if the provider has a U.S. bank. Please call Security Health Plan if you get any emergency services outside the United States.

If you get a bill for services, call our Customer Service Department at 1-800-791-3044 (TTY 711) right away.

Other insurance
If you have other insurance in addition to Security Health Plan, you must tell your doctor or other health care provider. Your doctor or other health care provider must bill your other insurance before billing Security Health Plan. If your Security Health Plan doctor or other health care provider does not accept your other insurance, call the HMO Enrollment Specialist at 1-800-291-2002. The HMO Enrollment Specialist can tell you how to use both insurance plans.

Services covered by Security Health Plan
Security Health Plan is responsible for providing all medically necessary covered services under BadgerCare Plus and Medicaid SSI.

Mental health and substance abuse services
Security Health Plan provides mental health and substance abuse (drug and alcohol) services to all members. If you need these services, call Security Health Plan Customer Service at
1-800-791-3044 (TTY 711). If you need immediate help, you can call our 24-Hour Nurse Line at 1-800-549-3174, which is open 7 days a week.

All services provided by Security Health Plan are private.

**Family planning services**

We provide private family planning services to all members, including minors. If you do not want to talk to your primary care physician about family planning, call our Customer Service Department at 1-800-791-3044 (TTY 711). We will help you choose a Security Health Plan family planning doctor who is different from your primary care physician.

We encourage you to get family planning services from a Security Health Plan doctor so that we can better coordinate all your health care. However, you can also go to any family planning clinic that will accept your ForwardHealth card, even if the clinic is not part of Security Health Plan.

**Dental services**

- If you already have a dentist who accepts your ForwardHealth ID card:
  - Call the dentist’s office.
  - Tell the dentist’s office that you or your child is having a dental emergency.
  - Tell your dentist’s office what the exact dental problem is. This may be something like a severe toothache or swollen face.

**HealthCheck services**

HealthCheck is a program that covers complete health checkups, including treatment for health problems found during the checkup, for members younger than 21 years old. These checkups are very important. Doctors want to see those younger than 21 years old for regular checkups, not just when they are sick.

The HealthCheck health program has three purposes:

1. To find and treat health problems for those younger than 21 years old.
2. To increase awareness of the special health services for those younger than 21 years old.
3. To make those younger than 21 years old eligible for some health care not otherwise covered.

The HealthCheck exam includes:

- Age appropriate immunizations (shots)
- Blood and urine lab tests (including blood lead level testing when age appropriate)
- Dental screening and a referral to a dentist beginning at 1 year old
- Health and developmental history
- Hearing screening
- Physical examination
- Vision screening

To schedule a HealthCheck exam or for more information, call our Customer Service Department at 1-800-791-3044 (TTY 711).

If you need a ride to or from a HealthCheck appointment, please call the Department of Health Services (DHS) non-emergency medical transportation (NEMT) manager at 1-866-907-1493 (or TTY 1-800-855-2880) to schedule a ride.
Transportation services

Non-emergency medical transportation (NEMT) is available through the DHS NEMT manager. The NEMT manager arranges and pays for rides to covered services for members who have no other way to receive a ride. Non-emergency medical transportation can include rides using:

- Public transportation, such as a city bus
- Non-emergency ambulances
- Specialized medical vehicles
- Other types of vehicles, depending on a member’s medical and transportation needs

Additionally, if you use your own private vehicle for rides to and from your covered health care appointments, you may be eligible for mileage reimbursement.

You must schedule routine rides at least 2 business days before your appointment. You can schedule a routine ride by calling the NEMT manager at 1-866-907-1493 (TTY 711), Monday through Friday from 7 a.m. to 6 p.m. You may also schedule rides for urgent appointments. A ride to an urgent appointment will be provided in 3 hours or less.

Pharmacy benefits

You may get a prescription from a Security Health Plan doctor or specialist. You can get covered prescriptions and certain over-the-counter items at any pharmacy that will accept your ForwardHealth ID card.

You may have copayments or limits on covered medications. If you cannot afford your copayments, you can still get your prescriptions.

Care evaluation/health needs assessment

(BadgerCare Plus childless adults and SSI managed care only)

As a member of Security Health Plan, you may be asked to talk with a trained staff member about your health care needs. Your HMO will contact you within the first 60 days of your being enrolled with Security Health Plan to schedule a time to talk about your medical history and the care you need. It is very important to talk with your HMO so that you can get the care and services you need. If you have questions or would like to contact

Marshfield, WI 54449-8000

If you want to talk to someone outside Security Health Plan about the problem, call the HMO Enrollment Specialist at 1-800-291-2002. The HMO Enrollment Specialist may be able to help you solve the problem or write a formal grievance to Security Health Plan or to the BadgerCare Plus and Medicaid SSI programs.

The address to file a grievance with the BadgerCare Plus and Medicaid SSI programs is:

BadgerCare Plus and Medicaid SSI
Managed Care Ombuds
P.O. Box 6470
Madison, WI 53716-0470
1-800-760-0001

You may file a grievance at any time. You will not be treated differently from other members because you file a complaint or grievance. Your health care benefits will not be affected.

Appeals

You have the right to appeal if you believe your benefits are wrongly denied, limited, reduced, delayed, or stopped by Security Health Plan. Your authorized representative or your provider may request an appeal for you if you have given them consent to do so. When requesting an appeal, you must appeal to your HMO/PIHP Program first. The request for an appeal must be made no more than 60 days after you receive notice of services being denied, limited, reduced, delayed, or stopped.

If you need help writing a request for an appeal, please call Security Health Plan’s member advocate at 1-800-791-3044 (TTY 711), the BadgerCare Plus and Medicaid SSI Ombuds at 1-800-760-0001, or the HMO Enrollment Specialist at 1-800-291-2002.

If you disagree with Security Health Plan’s decision about your appeal, you may request a fair hearing with the Wisconsin Division of Hearing and Appeals. The request for a fair hearing must be made no more than 90 days after your HMO/PIHP makes a decision about your appeal.

If you want a fair hearing, send a written request to:

Department of Administration
Division of Hearing and Appeals
PO Box 7875
Madison, WI 53707-7875

The hearing will be held with an administrative law judge in the county where you live. You have the right to be represented at the hearing, and you can bring a friend for support. If you need a special arrangement for a disability or for language translation, please call 1-608-266-3096 (voice) or 1-608-264-9853 (hearing impaired).

If you need help writing a request for a fair hearing, please call either the BadgerCare Plus and Medicaid SSI ombuds at 1-800-760-0001 or the HMO enrollment specialist at 1-800-291-2002.

You will not be treated differently from other members because you request a fair hearing. Your health care benefits will not be affected.
You may request to have the disputed services continued while the HMO/PIHP Program appeal and State fair hearing process are occurring. The request to continue services must happen within 10 days of receiving the notice that services were denied or changed, or before the effective date of the denial or change in benefits. You may need to pay for the cost of services if the hearing decision is not in your favor.

**Your rights**

**Knowing about physician incentive plan**
You have the right to ask if we have special financial arrangements with our physicians that can affect the use of referrals and other services you might need. To get this information, call our Customer Service Department at 1-800-791-3044 (TTY 711) and request information about our physician payment arrangements.

**Knowing provider credentials**
You have the right to information about our providers including the provider’s education, board certification and recertification. To get this information, call our Customer Service Department at 1-800-791-3044 (TTY 711).

**Completing an advance directive, living will or power of attorney for health care**
You have the right to make decisions about your medical care. You have the right to accept or refuse medical or surgical treatment. You have the right to plan and direct the types of health care you may get in the future if you become unable to express your wishes. You can let your doctor know about your wishes by completing an advance directive, living will, or power of attorney for health care. Contact your doctor for more information.

You have the right to file a grievance with the DHS Division of Quality Assurance if your advance directive, living will, or power of attorney wishes are not followed. You may request help in filing a grievance.

**Transition of Care**
If you have moved from ForwardHealth or a BadgerCare Plus/SSI Health Plan to a new BadgerCare Plus/SSI Health Plan, then you have the right to:

- Continue to see your current providers and access your current services for up to 90 days. Please call your HMO upon enrollment to let them know who your provider is. If this provider is still not in the HMO network after 90 days, you will be given a choice of participating providers to make a new choice.

- Receive services that would pose a serious health risk or hospitalization if you did not receive them.

**Right to medical records**
You have the right to ask for copies of your medical records from your provider(s). We can help you get copies of these records. Please call us at 1-800-791-3044 (TTY 711) for help. Please note that you may have to pay to copy your medical records. You also may correct inaccurate information in your medical records if your doctor agrees to the correction.

**HMO Moral or religious objection**
The HMO will inform members of any covered Medicaid benefits which are not available through the HMO because of an objection on moral or religious grounds. Security Health Plan will inform members about how to access those services through the State.
Your member rights

• You have the right to have an interpreter with you during any BadgerCare Plus and/or Medicaid SSI covered service.

• You have the right to get the information provided in this member handbook in another language or format.

• You have the right to get health care services as provided for in federal and state law. All covered services must be available and accessible to you. When medically appropriate, services must be available 24 hours a day, 7 days a week.

• You have the right to receive information about treatment options including the right to request a second opinion.

• You have the right to make decisions about your health care.

• You have the right to be treated with dignity and respect.

• You have the right to be free from any form of restraint or seclusion used as means of force, control, ease or reprisal.

• You have the right to exercise your rights without adverse treatment by the HMO and its network providers.

• You may switch HMOs without cause during the first 90 days of Security Health Plan enrollment.

• You have the right to switch HMOs, without cause, if the State imposes sanctions or temporary management on Security Health Plan.

• You have the right to receive information from Security Health Plan regarding any significant changes with Security Health Plan at least 30 days before the effective date of the change.

• You have the right to disenroll from the HMO if:
- You move out of the HMO’s service area
- Your HMO does not, for moral or religious objections, cover a service you want
- You need a related service performed at the same time, not all related services are available within the provider network, and your PCP or another provider determines that receiving the services separately could put you at unnecessary risk
- Other reasons, including poor quality of care, lack of access to services covered under the contract, or lack of access to providers experienced in dealing with your care needs.

Your civil rights
